Letter of Recommendation: Bat Club USA for Emily Escorcía

Miami, FL | erik@batclubusa

September 17, 2021

14241 sw 120th st STE 110
Miami, FL 33186

It is my pleasure to recommend Emily Escorcía for the role of Communications Manager/Director. I worked with Emily for 3 years as her manager at Bat Club USA, where she used her excellent communication and leadership skills to deliver spectacular results in the roles of Communications Manager and Director of Partnerships. I am confident that Emily's exceptional skills, professional experience, and personal qualities will make her a powerful asset in your company/school.

As Communications Manager, Emily demonstrated her service management skills, her ability to problem-solve on a large scale and develop a quality communication standard for the company. Her implementation of the CSR system Zendesk was able to lift customer service ratings up to 90% as the company average. Moreover, once promoted to Director of Partnerships, Emily created a customer rewards program to raise retention and member satisfaction; This program includes 42 new partner companies that offer added benefit to members. Emily was also a key piece in creating our podcast episodes, and B2B cross-promotion.

Unfortunately, we no longer have the pleasure of working with Emily. Her loss is greatly felt, but she will undoubtedly continue to thrive and would be welcomed back if the opportunity arises.

Emily has my highest recommendation for this position. I have no doubt she will make a strong addition to your team. Please feel free to contact me if you have any questions regarding her candidacy or past work.

Sincerely,

Erik Rico
